I wish you a wonderful stay in my favorite city - Vienna ♥

Grete Walz

Duration

You should plan approximately **1,5 hours** for the entire round. This is the time needed for walking plus listening to all the attractions. Feel free to personalize your tour according to your preferences by skipping attractions or revisiting them.

Map & Symbol Guide

On the last page of this brochure, you will find a map indicating the locations of all the sights included in this tour.

22

This symbol indicates the position of the sights on the map. The number corresponds to the chapter of the audioguide in which the sight is explained.

14
15

This symbol highlights attractions for which further information is available. The chapter with the bold number provides the main details. The chapter with the lightly printed number offers additional information.
